

Vendor Contacts and Ordering Instructions

To assure PEPPM bid protection, all PEPPM orders must be faxed to PEPPM at **800-636-3779**, emailed to orders@peppm.org or placed online through Epylon eCommerce. In the body of the purchase order, please include the following language: "As per PEPPM".

Product Line: Internet Content Filtering Software

Introduction

Securly provides a complete school-focused cloud-based web filtering and student safety platform that allows filtering for any device, anywhere, with complete Google integration. This helps eliminate bandwidth bottlenecks, and allows for complete support for 1:1 initiatives, while offering easy deployment without any software or hardware.

Securly is helping redefine student safety online by pioneering a cyber-bullying and self-harm detection system on social media, with an optional parental integration portal for concerned parents. Parents now have the ability to get involved in their child's online activities, in and out of school, and obtain alerts for concerning behavior.
