## Vendor Contacts and Ordering Instructions

To assure PEPPM bid protection, all PEPPM orders must be faxed to PEPPM at **800-636-3779**, emailed to [orders@peppm.org](mailto:orders@peppm.org) or placed online through Epylon eCommerce. In the body of the purchase order, please include the following language: "As per PEPPM".

**Product Line: Crisis Lockdown Alert Status System**

### Introduction

Sielox has designed and engineered innovative security solutions for more than forty years. Our history began in 1979 as Sielox Systems based in Sunnyvale CA.

Now privately owned and based in New Jersey, the company's unique and highly focused integrated suite of access and emergency notification solutions has proven that it offers the right combination for schools, colleges and government facilities.

Additionally, the company's go-to-market strategy is built on a network of predominantly regional and local systems integrators.

Sielox designs, engineers and markets intuitive security management systems through select business partners. From entry-level to enterprise-wide, Sielox scalable solutions include Pinnacle Windows-based security management, 1700 controller with unmatched capabilities and serviceability, Sielox AnyWare browser-based access control and the award-winning Sielox Class Crisis Lockdown Alert Status System.

Sielox provides the best-in-industry OEM products to empower systems integrators to configure a wide range of tailored solutions to meet different needs for their customers.

Sielox is proud to offer leading readers and credentials, cameras and recorders, and real-time integration of wireless locks. Dozens of best-in-industry technology partner products are integrated to provide complete solutions.

Sielox provides "Made in North America" solutions that exceed today's complex and demanding security environments.
