

## **Vendor Contacts and Ordering Instructions**

To assure PEPPM bid protection, all PEPPM orders must be faxed to PEPPM at **800-636-3779**, emailed to [orders@peppm.org](mailto:orders@peppm.org) or placed online through Epylon eCommerce. In the body of the purchase order, please include the following language: "As per PEPPM".

### **Product Line: ThreeSixty Inc.**

#### **Introduction**

ThreeSixty has been providing state of the art intercom, paging, emergency and mass notification solutions since 1992.

Our systems are software driven allowing us to custom tailor solutions for your applications even as needs change over time. This flexibility is unique to the communications industry and has contributed greatly to our growth. ThreeSixty also offers affordable IP system solutions that, unlike the competition NEVER adds on recurring revenue streams for system upgrades, software updates etc.

ThreeSixty maintains close relationships with our strategic partners ensuring your installations are done correctly the first time!

ThreeSixty products are unique at every level. Even our traditional 25/70V solutions on our Galaxy platform incorporate most of the advanced functionality of IP solutions for a fraction of the cost of full IP.

Galaxy can also be utilized in a "Hybrid" solution using both IP and Analog as need for a given application.

ThreeSixty now offers complete Classroom Audio Systems for less than half the cost of other leading solutions!

New for 2020, ThreeSixty now offers an affordable solution for school districts wishing to add advanced District-wide command and control that ties all of your school communications together!

Best of all, you can add this powerful district command today as our solution will interface with all of your existing paging/intercom systems regardless of make or age! Incredible!

Contact us for all systems design and quoting options at the national and local level, we're here to help!
