### Product Line: Threat-Alert Notification System

#### Introduction

ASR Alert Systems is a patented state-of-the-art critical incident response technology specializing in the field of alert notifications to Law Enforcement and First Responders in the event of an active shooter or other crisis. Our technology can be customized to any industry, building, or event. We deliver customer-specific technology unmatched by anyone.

Our technology reaches across dozens of vertical markets spanning every state in the U.S. Our systems are completely customizable and feature an open-ended API platform that permits integration with most any communication system that may already be in place at your organization.

To ensure complete coverage across the United States, we have a rapidly growing network of channel partners that are experts in the technology field. ASR only partners with the best so that customers can feel confident they are dealing with experienced and proficient representatives as it relates to our threat technology products and services.

## Placing an Order via Email or Fax:

1. Locate product and prices on PEPPM.org or through a sales representative.
2. Our posted PEPPM prices are component pricing. Actual systems will need to be determined for each individual location and component counts will vary based upon this. Installation and required monitoring is separate from components (equipment) pricing. Please connect with an authorized dealer from above for a security assessment and system design. They will work with you to determine your order needs.
3. Once you connect with an authorized Channel Partner dealer and once your system is designed, you can place your order.
4. Select one of the authorized resellers listed below and address the orders to:  
Selected Reseller Name  
Reseller Address
5. All quotes and purchase orders should state "As per PEPPM."
6. Email the completed order to [orders@peppm.org](mailto:orders@peppm.org) or fax to **800-636-3779**.
  - a. Your order will be reviewed and edited by PEPPM Staff.
  - b. You will be contacted to make any necessary corrections.
  - c. Your order will be issued to the vendor within 24 hours during the business week after all (if any) corrections are made.
  - d. Your order will be archived for audit support.
7. Orders will be delivered to the job location at time of installation.

## Reseller Listing

Orders may not be sent directly to these resellers. All orders must be placed through the PEPPM email address ([orders@peppm.org](mailto:orders@peppm.org)) or fax number (800-636-3779) to assure PEPPM bid protection.
