

Vendor Contacts and Ordering Instructions

To assure PEPPM bid protection, all PEPPM orders must be emailed to orders@peppm.org or faxed to PEPPM at **800-636-3779**. In the body of the purchase order, please include the following language: "As per PEPPM".

Product Line: Cambium Networks

Introduction

App-Techs has been providing technology solutions since 2003 and specializes in Video Surveillance Systems, Information technology, Access Control and Industrial Wireless systems. The convergence of these technologies has enabled App-Techs to provide high-value, reliable and affordable solutions to our clients. Businesses, educational facilities and government institutions throughout the United States choose App-Techs because of the value we provide by combining deep networking expertise with our always up-to-date knowledge of surveillance, security and communications systems. We are a preferred Milestone Solutions Diamond Partner throughout the United States. App-Techs offers all of the hardware, software, support and services needed for a reliable and affordable world-class video surveillance solution.

Our early focus on IP video surveillance systems has led to the development and manufacturing of our own line of surveillance servers, portable and covert systems, server health monitoring software, access control integration software, a cloud-based device mapping and maintenance system, and other surveillance-related applications. App-Techs manufactures the EasyNVR line of video recording servers which combines the power and flexibility of Milestone XProtect VMS software, with high-quality hardware, built and configured specifically for each application. We possess advanced certifications, have completed hundreds of successful installations, and have excellent performance reviews and references.

For any inquiries, please contact Jenny Romanosky at 717-735-0848 ext. 190 or via email at jromanosky@app-techs.com.

App-Techs is located at 505 Willow Lane, Lancaster, PA 17601.
