Product Line:

GoGuardian-Chromebook management and content filtering solution

Introduction

Established in 2014, **GoGuardian** specializes in K-12 technology solutions that enable online learning by creating safe and focused digital environments, in and outside the classroom. **Our mature, full-featured, internet content filtering solution** includes the tools administrators and teachers need to guide and monitor students online and keep them focused on their schoolwork. Scalable to meet the needs of any school and/district, we currently support 22+million students across 30,000 schools and districts.

As the world of digital learning accelerates, GoGuardian believes it is critical that we study and understand the impact of the digital learning experience on student outcomes. Our research and insights are focused on understanding how the digital learning experience can be improved to maximize achievement in the classroom while unleashing curiosity.
